ADMISSION TIMELINE FOR 2013-2014 SCHOOL YEAR

Thank you for your interest in The Out-of-Door Academy. We are pleased that you are considering our school for your child’s education. To facilitate the admission process, we recommend that you follow the guidelines listed below. These steps are important and necessary in expediting our admission decision.

- **Tour and Visit** - Prospective students and families are invited to visit and experience the Out-of-Door campuses and see the students, faculty, and curriculum in action. Tours are scheduled during the week. Please call the Admissions Office to schedule a personal tour.

- **Application/Application Fee** - Complete and return the Application for Admission, a recent photograph, and the appropriate questionnaires along with the $100 application fee. The admission process for Pre-Kindergarten and Kindergarten applicants must be completed by **February 1, 2013** for an applicant’s file to be considered for the **February 8, 2013** notification date. All other applicants applying for grades 1 through 12 must complete the application process by **March 1, 2013** in order for an applicant’s file to be considered for the **March 8, 2013** notification date. Applications received after the deadlines will be handled on a rolling admissions basis, pending space availability.

- **Confidential Teacher Recommendations/Release of Information** - Complete the applicable forms and send/give to your child’s current school. These forms should be completed in early **January** and mailed directly back to The Out-of-Door Academy Admissions Office by the applicant’s current school.

- **Testing, Classroom Visitation, and Interview**
  - **Applicants for Pre-Kindergarten and Kindergarten** - The Admissions Office will contact all Pre-Kindergarten and Kindergarten applicants to schedule the Individual and Group Assessments. Please note the following dates:
    - **Individual and Group Assessments** - **January 12 and January 26, 2013**

    Because admission to The Out-of-Door Academy’s Pre-Kindergarten and Kindergarten programs is based primarily on individual developmental readiness, the School recommends applicants for Pre-Kindergarten turn four (4) and applicants for Kindergarten turn five (5) by September 1 of their entry year.

  - **Applicants for Grades 1-5** - After submitting the completed application materials, please call to schedule your child’s testing and classroom visitation date.

  - **Applicants for Grades 6-12** - After submitting the completed application materials, please call to schedule a school visit and student interview.
    - **Register to take the Secondary School Admission Test (SSAT) online at www.ssat.org. (Important: indicate The Out-of-Door Academy [school code – 5611] as a recipient school to ensure that the score reports are received in a timely manner.)** SSAT registration materials are also available from the Admissions Office. If the applicant has recently taken the ISEE, SAT, or PSAT, these test results may be considered in place of the SSAT scores.

    The SSAT will be offered on:
