

June 2010

Dear Parents,

As you begin to make plans for the summer, I would like to inform you about the August Leadership Camp for your rising eighth grade child. The eighth grade has been participating in this leadership program for the past sixteen years. This is a wonderful program because it builds self-confidence, self-esteem, teamwork, and leadership in an environment of morality, ethics, and fun. I have attended this program for several years, and each year the program gets better and better. The students thoroughly enjoy it, and it helps to establish a positive and enthusiastic beginning for the school year.

At the heart of this program will be a four-day residential experience based upon the Project Adventure ropes course. It will be held at the Dayspring Conference Center in Ellenton, Florida. This program will run from **Tuesday, August 10th through Friday, August 13th**. The cost of \$425.00 will cover all program costs, lodging and meals.

The purpose of this letter is to inform you of the date of the program as you make your plans for the summer. I strongly urge each and every student to attend because I sincerely believe that the experience the students share is one that they will carry with them for a lifetime.

If you have any questions about the program, please do not hesitate to contact me at 554-5984.

Sincerely,

Kathy Dozier
Eighth Grade Dean
